RESDEL has found in League of Nations archives one copy of minutes of meetings of Irano-Ottoman Boundary Commission of 1914. There appears to be only one copy of minutes however and if DEPT desires copy for its files, photostatic copy will have to be made at expense of US. Minutes covering 87 sessions of Commission from Jan 8 to Oct 26 1914 consist of 194 large printed pages. If DEPT wishes this work be accomplished RESDEL should be authorized incur necessary expense.

There appears be only one map included with minutes. It is attached to arbitration decision concerning tracing of border line between Kohnerig Ridge and Kelle-Chouvan Ridge.

Records card inside cover of minutes indicates they were sent to UN library in New York July 4 1956.
